Dear Parents

We hope you stay safe over the Easter Break. In the event that a child has a positive covid test result, we need you to let us know so we can inform anyone who was in contact at school that they need to self-isolate. From 4pm on Friday 26<sup>th</sup> March, the school office will be closed, so please contact the trust office and give details of the test result, when the child was last in school and when the first symptoms were observed. Where necessary, the school will get in contact with just any affected families.
